SUMMARY

Full-Stack Developer with proven expertise in HTML, CSS, JavaScript, Python, and Django. Experienced in designing and developing responsive, user-centric web applications, seamlessly integrating front-end aesthetics with back-end functionality. Skilled in translating complex requirements into robust, scalable solutions while ensuring optimal performance and user experience. Adept at problem-solving, cross-functional collaboration, and delivering high-quality digital solutions on time and within scope.

WORK EXPERIENCE

Python Developer Intern, Febno Technologies   **august 2025 - Present**

- Contributed to building scalable, secure web applications using Python, Django, and PostgreSQL, focusing on user authentication and efficient data management.
- Developed and optimized Django models, views, and templates to translate complex business requirements into seamless, intuitive user experiences.
- Enhanced front-end performance and responsiveness by integrating HTML, CSS, JavaScript, and Tailwind CSS, improving user engagement.
- Strengthened full-stack development skills through collaborative work in a fast-paced professional environment, delivering robust, user-centric solutions.

PROJECTS

Employee Management System

- Developed a Django & MySQL-based system for employee attendance tracking, work assignment, and leave management.
- Enabled role-based authentication, task assignment, approval workflows, and file uploads after task completion.
- Designed responsive UI using HTML, CSS, and JavaScript for seamless user experience

Student Feedback System

- Created a Django & MySQL-based platform for students to rate department and faculty performance through predefined questions.
- Implemented secure login, role-based access, and automated feedback analysis.
- Designed a responsive UI with HTML, CSS, and JavaScript for seamless feedback submission.

EDUCATION

- **Skill Diploma In Python Full Stack Angular- Technodot acadamey**   **July 2025 - Present**
- **Bachelor Of Science**   **march 2022 - march 2025**
  Kannur University
  N.A.M College Kallikkandy
- **Higher Secondary School**   **march 2020 - march 2022**
  Crescent H.S.S Vanimel

KEY SKILLS

- HTML, CSS, JavaScript
- Python, Django
- MySQL, PostgreSQL
- Git & GitHub Version Control

- Problem-Solving & Critical Thinking
- Leadership & Teamwork
- Communication Skills
- Project Management
- Time Management
- Adaptability & Continuous Learning

CERTIFICATIONS

- NCC 'B' Certificate – National Cadet Corps, Government of India
- NCC 'C' Certificate – National Cadet Corps, Government of India
- Django Development Certificate – Maitexa Information Technologies
- WEB DEVELOPMENT WITH FASTN Workshop for the IEDC Summit 2023
